**ANNUAL REPORT**  
**2025-2026**

## Annual Report (2025-26)

I take immense pride in presenting the annual report for the academic year 2025-26.

I would like to begin by remembering our founder, Sri. V.KASTHURISWAMY NAIDU. His vision and values continue to inspire us every day. Our school's motto, "Unlock your potential. Learn Today, Lead Tomorrow," honours his legacy and guides us in preparing students for a bright future. With the strong support of our management and the dedication of our qualified and passionate teachers, our school is steadily progressing in all areas.

I feel extremely privileged to present the Annual report of the school activities for the year 2025 – 2026. Our school motto "Dream, Believe, Become" is our guiding philosophy which propels us towards meaningful future. Excellence in Education, love for learning and sensitivity for environment is the Hallmark of our school.

### Vision

#### **Dream Believe Become**

We aspire to inspire students to dream big, believe in themselves and become individuals who lead with knowledge, values, and purpose.

## **Academics**

This Academic year our school has faced a major transition from the State Board to CBSE Syllabus, so today's celebration is a mixture of our emotions, our journey and finally our achievements.

The quality of school life is determined by its activities. Our school truly believes that physical as well as mental activities play a vital role in building a bright future for the children.

## **Parents Orientation Program**

At GVK VIDHYA MANDIR, we believe that the key to a child's overall development lies in the partnership between the school and the parents. In this regard, we ensure that parents are actively involved in the academic journey and co-curricular activities of their children. To foster this collaboration, we organize a comprehensive Parents Orientation Program at the beginning of each academic year.

## **Clean Classroom Initiative**

We started the Clean Classroom Initiative to encourage students to take responsibility for keeping their surroundings clean. Through this, students learn the importance of a clean environment and are motivated to maintain it. This initiative has helped students develop good habits.

## Conclusion

We firmly believe that positive communication between parents and teachers goes a long way in improving the efficacy of education. The Parent – Teacher meeting is organized from time to time to discuss the progress of their wards and positive suggestions for overall development of the school.

Both cognitive and non - cognitive development were witnessed in our students throughout the year, Our motto guides every step we take, If you can't, who can. Students have achieved a lot in this academic year. With the blessings of the almighty, I believe we would reach high destinies, empowering our societies.

“We place on record our sincere thanks to all stakeholders for their support. We look forward to another year of progress and achievement.”

Thank you
